Tonight is Reston's
80th birthday party

RESTON — Reston's 80th birthday will be celebrated with a birthday cake and all the trimming, plus entertainment and a dance.

All this will take place in the Auditorium of the Reston Collegiate with the starting time being 8:00 p.m. tonight (Thursday).

It was 80 years ago this month that the first passenger train arrived at Reston, with the date being around the 29th. This marked the beginning of a building boom and is considered as the starting date for the town, although settlers had arrived before that.

The Rural Municipality of Pipestone was formed in 1883, with the first meeting being held in A. F. Power's home in the Mayville district.

riet.

Reston School was first located in what is now called the Lanark district, with the old school house being used as a granary on the farm of Chas. Cook.

The first school in Reston is now used as the Rest Room. Two schools built later, the old four-room school, built about 1905 and a two-room high school built in 1926 have been demolished and replaced by the ten room elementary & Collegiate, also with about the same number of rooms.

The event is sponsored by the Reston and District Chamber of Commerce. A collection will be taken at the gate and any surplus over expenses will go to the Alstone Building Fund.

90th birthday

Mrs. Florence Anderson, resident of Reston, since 1912 was honored at a come and go tea at the home of her daughter Mrs. Wm. McLean on Nov. 20th, the occasion being her 90th birthday.

Anderson enjoys good health and has no intention of leaving her attractive bungalow, opposite the Reston Memorial Park, where keeps an immaculate home.

Many friends called or sent cards on the occasion of her birthday, some of the cards from ex-Restonite now living in other parts of the country.

C. W. 'Paddy' Paddock is
buried at Winnipegosis

WINNIPEGOSIS — Funeral service was held in the Knox Presbyterian Church here on Tuesday, Nov. 28th for Cecil William Paddock, whose unexpected death occurred at the Deer Lodge Hospital, Winnipeg on Nov. 23rd. Rev. H. Koeford, officiated.

"Paddy" as the deceased was known to a host of friends was 66 years of age having been born at Winnipegosis and receiving his education here. He entered the dairy industry

and was manager of a creamery at Elkhorn before the war and following the war established a creamery at Reston and later took over the creamery at Souris. He also operated a farm at Reston for many years selling his equipment this year and moving to Swan River to reside.

He joined the R. C. A. F. in 1941 and did a tour of operations with the 424 Squadron in England and Africa. After completing his tour, he joined training command and was in charge of

gunnery at Topcliffe, Yorkshire, with the rank of Squadron Leader. He was awarded the Distinguished Flying Cross which was presented by the late King George VI.

He was a member of the Canadian Legion at Reston and also at Winnipegosis. He was also a member of Reston Masonic Lodge, the Scottish Rite Lodge in Brandon and the Shrine Khartum Temple of Winnipeg.

He is survived by his wife Joyce, a son Timothy at home and two daughters (Phyllis) Mrs. Herb Bray, of Winnipeg and (Shirley Ann) Mrs. Theissen, of Port and Oregon. Also son, of Port and Oregon. Also five sisters, Mrs. Jane Janison, of Biggar, Sask., Mrs. Edith Cameron and Mrs. Pearl Herick, both of Winnipeg, Mrs. Jessie Norman of Winnipegosis and Mrs. Florence Kennedy of Gladstone, Man. There are six grandchildren and four great-grandchildren. He was predeceased by two brothers Ross and Oscar.

Burial was with Legion Honours, arranged by the Winnipegosis Branch of the Royal Canadian Legion No. 106. Pallbearers were: Active, Harold Webster, Swan River, Arthur Poole, Manson, Delroy Grenon, Winnipegosis, Jack Fotheringham and Art Wilkins, Reston, and Lyle Marshall of Killamery. Honorary: Art Poole, Sr., Manson, Cecil Rogers, Mafeking, Roy Campbell, Reston, Reg Berry, Reston, Will Campbell, Winnipegosis, George Flett, Winnipegosis, Flower bearers were David Healy, Reston and John Campbell, of Winnipeg.

Burial was in the Winnipegosis Cemetery with arrangements by the Riverside Funeral Chapel of Dauphin.

Prices are good at
Melita Auction Mart

MELITA — At the Dec. 1st cattle sale 345 head went through the Melita Auction Mart, 27, 208 hogs were sold at the Melita Auction Mart.

Prices: Fat steers, \$34.00 to \$36.50; fat heifers, \$32.00 to \$34.50; butcher cows \$22.00 to \$26.00; canner cows \$15.00 to \$21.00.

Feeder steers, 800-1000 lbs. \$37.00 to \$41.00; 700-800 lbs. \$39.00 to \$42.50; 600 - 700 lbs. \$40.00 to \$44.00.

Feeder heifers, \$31.00 to \$34.00; stock steer calves \$45.00 to \$49.00; stock heifer calves \$37.00 to \$41.00.

Stock cows \$275.00 to \$350.00; cows and calves \$250.00 to \$350.00.

Weanling pigs, 30-40 lbs. \$23 to \$26; 20-30 lbs. \$15 to \$20; feeder pigs, 125-150 lbs. \$38 to \$45; 80-100 lbs. \$35 to \$38; bred sows, \$70 to \$90; dry sows \$19 to \$22.75; boars \$17 to \$19; market hogs, \$60 to \$65.

November meeting
of Tilston W. I.

TILSTON — The November meeting of the Tilston W. I. was held at the home of Mrs. Edith Cooper with eight members answering the roll call with presents for the Children's Hospital.

The president Mrs. Pickett chaired the meeting. Secretary and treasurer's reports were read and approved. The draw was made on the anniversary cake and won by Mrs. Mary Jones.

The members donated \$10.00 for the Deere Lodge Xmas tree fund.

Mrs. Ella Molr gave the thought for the day. Mrs. A. Alexander read from Federated News on abortion which was followed by discussing the same. Mystery box was won by Mrs. A. Alexander.

Meeting adjourned and lunch was served by hostesses. The December meeting will be held at the home of Mrs. Wida Molr.

It's the end of the road for the Dublin
W. I. after years of service to district

RESTON — The Dublin W. I. held its final meeting at the home of Mrs. Ernie Jago in October 1972.

The W. I. was organized in May 1956. As long as Dublin School was in the district it was used as a community centre for W. I. picnics at the end of the school

term, Christmas parties and bingos.

The W. I. supported local organizations by donating articles to the hospital and having a booth at the annual fun fair. Several quilts were made and raffled with proceeds toward a worthy cause.

When the Alstone Lodge was opened we donated one dozen dinner plates to the community kitchen.

At our final meeting it was agreed that we donate our cups and saucers to the community kitchen at the Alstone Lodge, also to donate \$25.00 to the Alstone Building Fund.

The 72 cup coffee maker purchased by the W. I. several years ago is to be considered community property and is available to anyone in the district wishing to use it. Contact Mrs. Allan Kenrick or Mrs. Ernie Jago for use of same.

A sincere thank to everyone that has supported our W. I. in any way. Your support and generosity was appreciated.

Bride-elect honored
at Sinclair

SINCLAIR — A miscellaneous shower in honor of Miss Linda Halderson, bride-elect of Dec. 2nd, was held in the basement of the Church on the 27th. The honored guests were presented with corsages and escorted to the head table, which was

daintily decorated and flanked with pink and white streamers and numerous colored bolls.

Seated with the guest of honor were her grandmother, Mrs. D. Brittain, her sister, Sandra, her aunt Elva Johnson, the groom's mother Mrs. C. Ross and the groom's sister Claudette. The address was read by Judy Hensel, followed by a contest put on by Doreen Thordarson. The gifts were drawn in on a decorated wagon by Cheryl Irwin & Laurie Martin.

The numerous gifts were opened and admired by all. Linda thanked the ladies and invited all to call for a visit. A delicious lunch was then served. Mrs. Cathy Skelton was in charge of the guest book.

200 head sold at
Pipestone cow sale

PIPESTONE — Two hundred and twenty head went through the ring at the Cow sale here on Thursday of last week.

Open cows were sold from \$180.00 to \$280.00, bred cows from \$240.00 to \$330.00 and a few cows with small calves were also sold with prices ranging from \$350.00 to \$380.00.

Auctioneer Don Robertson conducted the sale, which is the last of the season.

Public meeting in
January to discuss
the Alstone Lodge

RESTON — The directors of Alstone Lodge Inc. at their regular meeting November 25 held in the Municipal office decided to have a general public meeting on January 10th in the Alstone Lodge Lounge to which the public are invited to discuss the operation of the Lodge and review the financial statement.

It was decided to have a canvass commencing on January 15 to raise the remainder of the local equity in the recent undertaking of adding six extra suites to the building. A survey was requested by the CMHC and the secretary was instructed to have this done.

The board also decided to purchase a permanent Christmas tree for the Lodge to avoid fire hazard and also the needles on the carpet.

Donors to the building fund are as follows: Reston Snowmobile Club \$1,400.00; Hospital Aid \$200.00; Horticultural Society \$30.33; Broomhill W. I. \$25.00; Sinclair Legion Auxiliary \$50.00; Chester Memorial \$5.00; Sinclair U. C. W. \$50.00; Hillview U. C. W. \$75.00; Reston Legion Auxiliary \$50.00; Wm. Lockhart & Sons Garage \$100.00; Wm. Lockhart & Sons, Jim Morrison Memorial \$5.00; R. M. of Pipestone \$5,000.00; Elizabeth Legion \$300.00; J. E. Wilson \$100.00; Reston U. C. W. \$100.00; R. M. of Albert \$2,250.00; Reston Chapter Easter Star \$500.00; Pipestone Legion \$50.00; St. John's A. C. W. \$25.00. Total \$9,874.33.

The amount needed for the project is \$18,000.00.

Members present at the meeting were: Wilson Skelton, Frank Patmore, Gordon Smeltz, E. Schurman, Art Smith and Geo. Fotheringham.

Meeting of the
Reston Home Ec. Club

RESTON — The fourth meeting of the Reston 4-H Home Ec. was held on Friday, December 1st. The meeting opened with the repeating of the 4-H pledge. All members had to sit in their groups assigned last meeting.

It was decided to have a Christmas party on the 21st of December after four o'clock. Gifts are to be exchanged by each member, not exceeding 25c. The social committee is looking after supper. The members agreed to go carolling after supper the same as last year.

There is an executive training meeting on Friday, December 8th in St. Paul's Church at Virden. The meeting is to start at 7:30. All executive and junior leaders are asked to attend.

—Ann Milliken

Big increase in
farm loans

WINNIPEG — Long term loans from the Farm Credit Corporation have increased significantly during 1972.

During the seven month period from the first of April to the end of October, across Canada the Corporation approved 4002 loans for an amount of \$153,520,709.00. This was 49.8% increase over the \$102,472,414.00 approved for 3396 farmers during the same period in 1971. This upsurge in lending reflects increased optimism on the part of the farmers as a result of improved prices and marketing opportunities.

Parliament recently approved several amendments to the Farm Credit Act. The amendments will enable the Farm Credit Corporation to meet long term credit needs for the development of profitable family farms.

The changes of most significance to borrowers are as follows:

1. Maximum loan of \$100,000.00 to any farmer alone or jointly with others in a single farming operation. This amendment has been made because it was found that the principle of relating the loan ceiling to the number of farm operators rather than to the size of the business is inequitable.

2. Removal of the minimum age of 21 years as qualification for a loan. Legal age in Manitoba is eighteen years.

3. The funds available to the Corporation have been increased to permit it to borrow an additional \$250,000,000 to provide for future lending operations.

4. Loans are made only to Canadian Citizens or to those who intend to make their permanent home in Canada. In the past this was not a Legislative requirement.

The following represents loans in Manitoba since 1968: (the year, number of loans and average amount): 1968-67 1078, \$19,300; 1967-68, 1218, \$22,700; 1968-69, 920, \$23,500; 1969-70, 594, \$28,400; 1970-71 487, \$29,200; 1971-72, 389, \$28,900; April 1972 to Nov. 15, 1972, 400, \$30,800.

Keith Craig dies
at Edmonton

RESTON — Word was received here of the death of Keith Craig at Edmonton on Monday, Dec. 4th. He was enroute to work when stricken by a stroke.

Keith, who was 54 was born in the Hillview district, the son of the late Mr. and Mrs. Alvin Craig. He attended school at Hillview; the school being just across the road from his home.

He leaves a wife, two sons and two daughters, also two brothers and a sister.

More than 500 students have had
benefit of Drivers Education Course

VIRDEN — Fort La Basse has continued the Driver Education Course at both the Virden and Reston Collegiates and is now in its seventh year with well over 500 students receiving its benefits. Now, as many as 100 students can take the Driver Education Course during the school year.

As it is extra-curricular, students must apply for the course through their principal's office. Driver Education has been proven very beneficial in reducing accidents and convictions. A survey over a three-year period showed these results:

61.8% of students not taking the Driver Education Course were involved in accidents and convictions, whereas only 24.8% of students who had passed the

Driver Education Course were involved.

The course is quite extensive. A student receives 16 hours of in-car training and 25 hours of classroom based on the Sportsmanlike Driving textbook, covering such subjects as:

Psychological Characteristics of the Poor Type Driver, Adverse Driving Conditions, Stopping Distances and Space Driving Tactics, Driving and Drinking, Pedestrians and the Driver.

Traffic Laws, Automobile Insurance, Buying a Used Car, Physical Conditions Affecting Driving, and others.

The Course is Defensive and No-accident Driving.

Parents have recognized the effects of the course on their son's or daughter's driving ability and driver's attitude as a really worthwhile subject.

It is hoped that Autopac will soon recognize the course with an automatic reduction in insurance premiums for the under 25 years of age. Driver Education can only be obtained by High School students.

The Driver Education course got underway last week with 20 students enrolled. Fred Nixon is the instructor.

—H. W. Chornoboy

Grasshopper threat is
greater next year

WINNIPEG — Agriculture Minister Sam Uskiw has announced that 200,000 acres of farmland infested by grasshoppers and 45,000 acres infested by Bertha Army worms were sprayed with insecticide this year at significant savings to farmers.

Two programs were used this year to ensure savings to farmers on purchases of dimethoate — the chemical used to combat grasshoppers. The first involved a rebate to farmers covering 50 per cent of dimethoate shared on a 50 - 50 basis with participating municipalities and the second, instituted in June when supplies had fallen to a low level, involved the province's purchase of supplies in bulk which were sold at cost to farmers through their municipalities.

Under both programs the cost of dimethoate to the farmer, which normally retails at about \$12.50 per gallon, was roughly halved.

The chief areas affected by Bertha Army worms which ravage rapeseed were located in the northwest corner of Manitoba's agricultural area with the worst hit region centering around the Swan River valley area.

Grasshoppers plagued the Red River valley and affected cereal, forage and hay crops.

Mr. Uskiw said that it is expected that grasshopper infestations will be much worse next year throughout Manitoba with a 25 per cent increase in the area infested. He said it was impossible to predict accurately the extent of expected Bertha Army worm infestations in the coming year.

F. Russell Manning and Mrs. J. D. Reedy, Editors

ALOUETTE IS SLOWLY DYING

Canadians seem to have a genius for downgrading activities that would give another nation pride. Projects in which Canadians could take justifiable pride are either ignored or probed for defects which become magnified to hide the good aspects.

For example, take Canada's space program and particularly Alouette I, which has just completed 10 very successful years in orbit.

Perhaps there is nothing glamorous or dangerous about the Alouette; nothing to compare with the perilous journeys of the Sputniks and Appolos. No space-suited Canadians braved the elements of outer space, the dangerous unknown of the moon, or the searing heat of re-entry.

Alouette's job was simply to pick up information about the ionosphere in an orbit 600 miles above the earth. Nothing spectacular.

But after 10 years Alouette has been sending to our scientists a wealth of new information on cosmic noise, the reaction of radio waves in the ionosphere, and the number of charged particles.

There seems little if interest here except to professional scientists yet from this knowledge has come the development of Canada's communications satellite Anik which is scheduled for launching next month. And Anik is a world's first.

Anik will be the first satellite in the world to sit still in space. It will

sit about 22,000 miles above the equator. This satellite will link communications centres near Toronto and Vancouver, plus six network TV stations in urban centres and 24 remote stations throughout the north. It will also provide telephone and radio links between many isolated settlements in the North.

The next step after Anik will be to rocket high - powered transmitters into space.

These orbiting transmitters will bring modern communications to the farthest and most remote parts of this vast country. The first transmitter is scheduled for launching in 1975. By 1980 Canada could have a whole network.

And this complex network began with Alouette when she was launched Sept. 29, 1962. Canadian Defence Research Board scientists designed and built her in a laboratory near Ottawa. She was successful even beyond the dreams of her designer. They hoped for one year of operation and their outside guess was five years.

Now Alouette is dying. She is slowing and her power fading. Perhaps as she does, Canadians could spare some praise for the undeniably excellent work done by its designers and for the little satellite herself. Perhaps they could even feel a small spark of pride in being part of the country that conceived this project.

WINNIPEG WANTS MORE

And now the City of Winnipeg wants the provincial government to bail them out of their financial problems! They are asking for a big slice of the provincial revenue so that taxes may be maintained at their present level, if not forthcoming the city will be faced with a 35 mill tax increase over the next seven years.

The introduction of the uni-city plan, which was nurtured by the provincial government certainly hasn't reduced the cost of operating the city. Any savings which may have been effected by reducing the number of dup-

licated services, when there were several city governments, (St. James, St. Vital, etc.) have been more than gobbled up in increased costs. And it is questionable if the unicity government have increased the services to the residents, as was one of the purposes of its establishment.

Plans have been formulated by provincial planners for the amalgamation of municipalities, and other services into a larger regional concept. The experience provided by the amalgamation in Winnipeg, should cause those concerned to take a second look at such schemes.

The Days Gone By

10 YEARS AGO (Dec. 13, 1962)

The Reston Curling Club had a deficit of \$445.50 last year. It was reported by A. D. Mennie, secretary at the annual meeting on Monday night. Expenditures were \$2458.14 and receipts were \$2012.7. Over-expenditure for bonspiel prizes was the main reason for the deficit. Art Smith was elected president, C. H. Cook, 1st vice-pres., Ed. Gulas, 2nd vice-pres. and A. D. Mennie re-elected secretary. W. C. Bulloch held the broom for the opening of the new \$100,000 curling rink at Minot, N. D. last week. He has been a regular attendee at bonspiels there. Mr. and Mrs. George Jago were honored at a social in the Stonehill School on Tuesday evening. The couple were presented with a box of gifts drawn in by Patay Wilson and Carol Dickson. Willie Oberlin read the address. Last week we reported that Mrs. Oliver Chester of Reston had won \$2000.00 in a contest conducted by a radio station. The correct amount is \$200.00, what a difference a 0 makes! Mrs. E. Ritchie was elected president of the Cromer U. C. W. at the annual meeting in the Church on Wednesday. Other officers: Mrs. K. Stonehouse, 1st vice-pres.; Mrs. E. Berry, 2nd vice-pres.; Mrs. F. Berry, sec.; Mrs. R. Berry, treas.

20 YEARS AGO (Dec. 4, 1952)

The report of the Reston Rink Co. showed a small surplus on last year's operation. Receipts were \$1412.69 and expenditures \$1298.64, leaving a surplus of \$114.05. The rink will open for the season on Saturday evening. An honor roll on which is inscribed the names of those who served in the two World Wars was unveiled in an impressive ceremony in the Legion Hall at Reston on Monday night. Lloyd Armstrong, a veteran of

World War I did the unveiling and Mrs. Armstrong read "In Flanders Fields" accompanied by Mrs. F. H. Clark at the piano. Sixty years ago this month the first passenger train rolled into Reston. A. B. Martin wasn't sure of the exact date but he believes it was around the 20th. Reports are that Frank Whiteher is slowly recovering from the painful burns he received but will be a patient in the Brandon General Hospital for some time yet. The picture show and dance on Thursday evening, Nov. 28th put on at Woodnorth by the School Club was very successful and \$101.93 was taken in at the gate. Reports are that the well drilled on the Mac Cairns farm at Tilston is a dry hole. It bottomed at 3500 feet.

30 YEARS AGO (Dec. 10, 1942)

The marriage of Boyd Hinton, son of Mr. and Mrs. Harcourt Berry to Eleanor Marion, daughter of Mr. and Mrs. Herbert Robertson, of Antler, was solemnized at the home of Mr. and Mrs. Harcourt Berry on Dec. 9th. Should the snow fall become heavy, game authorities wish to be notified so that feed can be scattered for the upland game. Pheasants and Hungarian Partridge are reported to be plentiful but not chickens. The Co-operative Pastry Pool shipped from Pipestone on Friday when approximately 10,000 lbs. were bought. AC2 Gurney Baldwin, R. C. A. F., Brandon, was a visitor in Antlers. The Co-operative Poultry Pool shipped last week and there was \$1,160 pounds less than last year but the shipment still netted the shippers about \$1900. Miss Lucy Walls with 62 birds received the most specials, Mrs. A. Tyler with over 60 birds received the biggest cheque. Mr. and Mrs. C. Rawcliffe have

arrived at Antler where Mr. Rawcliffe has been appointed as C.P.R. agent. They had been at Goodlands. Mr. Barber who has been acting agent for the past three months returned to his home at Carberry.

40 YEARS AGO (Dec. 8, 1932)

Quite a lot of poplar wood is being offered by farmers in the district. The Recorder is willing to take a few loads in exchange for subscription arrears. C. Woodridge and A. Sproule have been given the job of flooding the rink at Ebor and started work early this week. A. Anderson has been appointed as caretaker. A men's club was organized at a meeting in the Church basement at Pipestone on Tuesday last week. Officers: Rev. N. L. Daynard, pres. W. Halthead, sec. Program committee, J. G. Lohian, J. P. McNicol, C. Skilton. Meetings will be held every two weeks. The G. S. Munro Co. are having a three day sale on Dec. 15th, 16th & 17th to mark the occasion of 30 years in the present building. It being 30 years ago on Dec. 15th when business was commenced in their new building. The so-called Indian summer came to an abrupt end on Friday last. After two weeks of very mild weather, the storm broke on Friday night with a light snow fall and by early dawn the country was blanketed in white.

50 YEARS AGO (Dec. 7, 1922)

Robert Forke, the Progressive Leader in the House of Commons is a busy man these days and hardly 24 hours goes by that he is not called on to address a meeting of some kind. Brandon Constituency can be proud of their representative at Ottawa. Early Saturday morning the fire bell rang. The alarm however was a false one, happily, and was caused by the action of Constable Tulloch on the alert for bank robbers. He was trying to arouse three telephone centrals and rang the

Items of interest are welcomed. Send them to Reston Recorder, St. Regis Hotel, Winnipeg 1.

Tempus surely does fugit! Her Majesty Queen Elizabeth and Prince Philip last week celebrated their 25th (Silver) wedding anniversary. And it seems like only yesterday that Princess Elizabeth and her Duke of Edinburgh first visited Winnipeg (in 1951) and they called in at the Legislature Chamber, where they signed the souvenir book. . . and the playful Philip, after signing with Premier Doug Campbell's gold-plated pen, tried to snitch it.

Fashion is just another term for a tax on vanity.

Last year the Blue Bombers were knocked out by Regina in the Western semi-final. This year (sob) they were squeezed out by Regina in the Western final. Next year (since third time is never like the rest) they should hog-tie Regina and go to the Grey Cup.

Tip of the cady to Stuart Garson, former Premier of Manitoba, on being invested with the Order of Canada.

Noted author and critic maintains that any movement, group, party, program, philosophy or theory that goes under a name with "new" in it, is asking for trouble. The New Democrats weren't listening, seems as if.

Confucius says: "As wealth beautifies the house, so character beautifies a person."

Slips that pass in the type: (Noted in the Carman Dufferin Leader)—"Politicians have instituted such measures as bill-ungulosity" . . . (and balled things up just as badly as that spelling, think we.)

An Alberta University geophysicist says that within 20 years the price of gasoline will be so high that motorists won't be able to afford to drive their cars. . . a tough outlook for tomorrow's hitch-hikers!

The reliable old Globe and Mail quotes "a reliable source" as saying Bryce Mackasey was kicked out of the federal cabinet as a scapegoat. . . true or not, considering the mess Mack got himself into over the Unemployment Insurance Fund, he's lucky to be out.

Headline in the paper says "Women Frightened By Their Power" . . . but not half as badly as men are, I betcha.

Mr. Stanfield is quoted as saying "Conservatives can gain in Quebec" . . . but gives no details as to when and how.

In California schools more than 600 children have died

alarm at the Municipal office by mistake.

60 YEARS AGO (Dec. 5, 1912)

Many farmers in this district are beginning to realize that wheat growing is not the whole aim of agricultural in the west. The price of cattle and hogs have gone up by leaps and bounds and are profitable to raise. Butter at 40c a pound and eggs almost as high also offer the opportunity for farmers to make a profit. On Thursday evening, Nov. 26th Mr. and Mrs. T. Forke gave a reception for their daughter Mrs. C. Cornwall with about 60 guests present. The new Union Church at Hillview was opened on Sunday with a fairly large crowd on hand despite the cold weather. On Monday evening a fowl supper was held which was a great success. The school meeting at Sinclair was attended by three ratepayers. On account of this lack of interest there will have to be another meeting. The 6th annual meeting of the Pipestone County Sunday School Association was held in the Presbyterian Church at Pipestone on Nov. 27th and 28th. Mr. J. G. Ratnay, who has been president since it was organized, but who has not been a resident of the district for the past year, motioned 80 miles to make a train connection so that he could be on hand for the event.

from over-doses of drugs in the past three years . . . who can read that without being shocked!

Overheard in the ST. REGIS Forest Lounge: "You see that acid-dripping letter by Ann Henry in the paper in which she called Liberal leader Asper 'the Archie Bunker of politics'?" "Yare—Yare should be that popular!"

REGGIE

The Editor's Jotbook

Well, it's sunny Manitoba again, as Old Sol makes his appearance daily now, instead of those dull dreary days, a while back. We could do without the 25 below weather that has accompanied the appearance of the sun tho!, and would welcome the 35 above that prevailed during the cloudy period. Guess you can't have everything! One thing the cold weather has done, is make it possible to get the rink ready for hockey and skating. . . We couldn't help but we feel sad on Sunday watching Regina go down to a heart-breaking 13 to 10 loss to Hamilton in the Grey Cup game. We had the feeling that Regina were going to win, but a field goal, the last play of the game was their undoing. . . That season to be jolly isn't far away, just two more issues after this one in December, and Christmas is just 18 days away! It was 70 years ago on December 15th that the G. S. Munro Co. started business out of the big stone store. They operated previously out of stone which was just south of the present building and which burnt down. It housed a bakery and confectionery as well as Berry's Barber Shop, with apartments in the top floor. We recall the fire but don't know what the year was.

LETTER TO THE EDITOR

Dear Editor:

I would like a few lines in your paper to explain some things about the fish placed in the pond near the Reston Motor Hotel.

It is evident to me that the old saying which says, human beings are ridiculous and become cynical about things they do not understand, is very true, this seems to be the case about the fish placed in the above pond. The real reason for the fish in this pond was to clean it of the material causing stench.

I remembered from earlier days of horses, that many of the Alberta livery stable owners put fish in their stock tanks to keep them clean. I believed this would happen if fish were put in this pond. The Sanitation Dept. has been pushing to have this pond filled or drained which is beyond the financial capabilities of the village at present.

I personally suggested this project two years ago but we were too late and could not obtain fish. I supplied the initial funds to purchase these fish and made the trip to Moose Jaw to get them and placed them in the pond. I was refunded the money amply; but was prepared to prove my point and did. I am prepared to try again next year on the same basis, provided no one puts a pike in the pond, at least, while the trout are in it.

I hope that clears the idea that the venture was one for profit. We certainly would have fun out of the project but circumstances decreed otherwise.

E. Schurman

COUNTRY COMMENTS

Agriculture PEP Program

The Provincial Government has initiated a program to provide employment to those temporarily on social assistance, the unemployed, and under-employed residents of rural Manitoba.

This construction crew will be working on livestock production facilities and on projects which relate to Agricultural Society buildings. Farmers will be eligible for up to \$1000 worth of labour. The farmer is responsible for supplying materials and a plan for construction. This work must be done by May 31, 1973.

Farmers interested in using this program should contact the Agricultural Office. Any farmer can apply but not all projects will necessarily be done.

Hints on Keeping Butter Fat Up

Feeding can cause butterfat test drop in milk. In general, a lack of an individual nutrient doesn't cause a reduction in fat test but rather a reduction in pounds of milk produced.

If fat depression is a problem in your herd, you might consider the following factors.

First of all, are all cows eating at least 20 pounds of hay or its equivalent per day? Not on the average, but are those high producing cows actually eating 20 pounds of hay?

Second—does the total diet contain a minimum of 16 per cent crude fiber? This is something you can tell only through feed analysis of your feed. If the fibre level in the ration is below 16 per cent, you may expect a depression in fat test.

Rolling rather than grinding and pelleting the grain mix may also help.

Feeding high producing cows a half pound of sodium bicarbonate and/or a quarter pound of magnesium oxide per day may also help.

It helps to know where you're going.

Orlie Johnson knows where he's going. His Edson Industries of Neepawa is moving ahead rapidly, planning plant expansion to make way for new products in the Canadian recreation marketplace. He knows how he's going to do it, too — efficiently and profitably.

And that's where we came in — through our productivity audit program for industry.

In 1971, the Manitoba Department of Industry and Commerce applied this program to the recreational vehicle industry in Manitoba. Edson, as a prime manufacturer of travel trailers and truck campers, was one of seven Manitoba companies participating in this productivity audit. These audits provide an in-depth look at marketing, manufacturing and costing, carried out by specialists.

While Edson had been highly successful in selling a quality product across Canada, there was room for increased plant efficiency. Our consultants showed the way. They recommended procedures that lead to improved production techniques, tighter cost controls and an incentive program for plant employees. The unit cost of production went down. Edson will soon be hitting the road with new fifth-wheel hook-up trailers and they're looking at complete motor homes. The route Edson — and Orlie Johnson — has chosen, complete with new job potential and a great future, was mapped in consultation with our productivity audit people. Contact them. With their help you, too, can go in the right direction.

Social and Personal

Mr. and Mrs. Don Ready, Darcy and Dale, of Brandon visited with the former's parents Mr. and Mrs. J. A. Ready and other relatives and friends on Saturday.

Arnold Leech returned on Friday from a tour of the Armed Forces bases at Chilliwack, Esquimalt and Comox, all in British Columbia. The tour was arranged by the Armed Forces to acquaint Mr. Leech with the opportunities in the Armed Forces, so that he can pass the information on to the high school students.

Weekend visitors at the home of Mrs. Inez McMoran were her daughters Janis and Clare, of Winnipeg and Mr. Allan Simpson, also of Winnipeg.

Miss Carolyn Berry, who is taking nurses training at the Brandon General Hospital was a weekend visitor with her parents Mr. and Mrs. Burton Berry.

Mrs. John Turecki, Marlene and David, of Regina, were weekend visitors with the former's mother Mrs. Arnold Wilkins.

Mr. and Mrs. Al Pierce, of Sioux Lookout, Ont., visited with relatives in the district on Friday of last week.

Jack Morris, of Winnipeg, was a visitor on the weekend with his parents Mr. and Mrs. Art Morris.

BIRTHS

Born to Mr. and Mrs. Albert Kibbeke at the Virden Hospital on Friday, Dec. 1st, a daughter.

Elementary School Notes

On November 25th the Port La Bosse Elementary Divisional Volleyball Tournament was hosted by Reston, Elkhorn, Oak Lake, McAuley, Sinclair, Virden and Reston fielded boys and girls teams. Virden girls captured the A event while the Sinclair girls won the B event. McAuley boys took the A event and Virden boys won the B event. The Reston Elementary School extends thanks to Mr. Sam Redshaw for helping at the tournament.

On November 30, the Reston teams travelled to Virden where they played well but met with defeat.

At noon hour on December 5, the Reston girls challenged the teachers. The teachers managed to scrape by with a win.

Saturday, December 9, the girls' team will be competing in a girls' tournament in Killarney. Good luck!

Minister warns against over-buying

WINNIPEG—In view of the seasonal increase in promotional pressure of the consumer, Minister of Consumer, Corporation and Internal Services A. Mackling has expressed a concern that Manitobans remember to exercise sound judgement in expressing the spirit of generosity that is traditional at this

time of year.

"As Christmas approaches, homes throughout the province are being bombarded daily with lavish promotional brochures urging the consumer to buy, buy, buy—or, as is more often the case, to charge, charge, charge," Mr. Mackling said.

"We are certainly not trying to discourage the time-honored tradition of buying and exchanging gifts, but we would like to discourage the temptation, so prevalent at this busy time of year, to buy on impulse without a full investigation of the costs and the true value of the goods," he added.

He mentioned three major points to bear in mind — mail order purchases, refund and exchange policies, and credit cards. Items ordered by mail should be checked upon arrival to ensure that it is in fact the item ordered, that it corresponds to the description advertised, and that it is not damaged, he said.

"If it is not satisfactory, it is the responsibility of the consumer to return it immediately to the sender," he pointed out.

Basically, all sales are deemed to be final, he advised. Refund and exchange policies are matters of individual store policies, provided there is no fault with the product or service or basic transaction.

"Before making a major purchase it is advisable to find out what the policy is, and whether the merchant will make a refund in the form of cash or a credit note, or will merely replace a defective or unsatisfactory item," he said.

Mr. Mackling also reminded consumers that they are entitled to a clearly outlined statement of total costs in any purchase involving credit.

"A number of advertisements suggest that payments on purchases made before Christmas may be deferred until 1973," he said. "Some of these specifically state that there will be no service charge in the interim. In others this point is not clear. Although payments may be deferred until 1973 there is a possibility that service charges may be applied between the time the purchase is made and the time the first payment is due."

"In all purchases on credit it is wise to obtain a full understanding of all the terms of the agreement. Before signing, make sure that all costs of borrowing are clearly stated and expressed in dollars and cents as well as an annual percentage rate." Of course, as 1973 comes shortly after Christmas it is also prudent to ensure that payments postponed until then will not prove more burdensome than anticipated, he concluded.

4-H Club have meeting at Fertile

FERTILE—A general meeting of the 4-H Club was held in the Recreation Centre on Dec. 1st. Marcia Orsted led the pledge to open the meeting.

The secretary read the minutes of the last meeting and there were no errors.

The treasurer Lynn Gazeley gave her report. It was mentioned that Marcel Bouchard be paid for clippers and Lies Marion for the bus trip to the 4-H rally in Estevan. Balance in the bank \$209.00.

Janet Reel gave a report on the dance which was mentioned at the last meeting. The discussion was left for the next meeting because we are unable to have a dance this month.

Under new business, the Christmas Concert was discussed and it was decided the club would put on a skit.

On January 12th, 1973 there is a variety night at Alemeda and the Club will put on something there.

There will be a public meeting on January 5th, including those who went to Camp Rayner, Wisconsin and for Provincial Selections in Saskatoon.

Garry Schenstead stated that we could buy calendars and have our name printed on them and we could sell them for \$2.00 each. The motion was made by Lorraine Belisle and seconded by Lynn Gazeley.

Members that did not pay their 4-H fees are to pay them at the next meeting.

Gloria Schenstead also mentioned that a lady from Carnduff would teach the stretch and sew course if enough people would attend. The matter will be investigated.

Adjournment was on a motion of Vernon Millone seconded by Brenda Orsted.

Vanhove-Pickett

nuptial vows

TILSTON — A double ring ceremony was solemnized in St. Anthony Roman Catholic on Nov. 11th at 4:30 p.m. when Marlene Isabelle, only daughter of Mr. and Mrs. Herbert Pickett, of Tilston became the bride of Mr. Glen Vanhove, son of Mr. and Mrs. Maurice Vanhove, of Deloraine. Rev. Father Foran, of Virden, officiated. Mrs. Laurence Smith provided the wedding music and Mrs. Elgar Sterling and Mrs. Manson Molt were the soloists. The church was colorfully decorated with Yellow Roses and Natural Dried Plant arrangements.

The bride given in marriage by her father chose a floor length gown which she made of peau de sole. It was empire with high collar and short puffed sleeves with lace on the collar and sleeves. Her head piece was made of three small roses and was a two tier veil of illusion. She carried a bouquet of American Red Roses.

Miss Vicki Mayes was matron of honor. Miss Sandra Pickett was bridesmaid. They wore identical floor length gowns of Connaught yellow satin with high collar and short puffed sleeves that were trimmed with white daisies. They wore yellow carnations in their hair and carried nosegays of carnations with yellow centres.

The flower girls Daun Van Marion and Shauna Pickett, niece of the bride wore floor length dresses of yellow Connaught satin trimmed with daisies and they carried baskets of carnations, white with yellow centres. They wore yellow carnations in their hair.

Mr. Marshall Teetart, a friend of the groom was best man. Ushers were Mr. Gary Pickett and Mr. Jack Vanhove.

The bride's mother wore a street length dress which was pluna figured with a hot pink lace vest. Her corsage was a white orchid.

The groom's mother wore a street length dress which was brown and white figured with a beige cluster of roses.

Following the ceremony a reception for about 90 guests was held in the United Church basement. Reverend Father Foran asked the blessing. The toast to the bride was proposed by Mr. George Anderson of Tilston to which the groom responded.

The servitors were Rose Mary Maffenbeier, Lora Jean Lee, Sharon Lee, Coral Hamel, Bonnie Forsyth, Gloria Jackson, Wayne Hamilton and Delnar Davies. Miss Gloria Jackson was in charge of the guest book.

A wedding dance followed in the Tilston Hall with music by The Moonlighters of Virden.

The wedding party was piped into the hall and once around by Piper Baden Hathaway from Deloraine and the name of the tune was "The Little Brown Hair Girl."

For going away the bride chose a street length yellow Connaught satin with high collar and short puffed sleeves

with lace trim. She wore a gold coat and gold purse and shoes to match. Her corsage was Maville Primrose. Following a wedding trip to

Mrs. Pearl Gies, long-time resident of Antler and district is laid to rest

REDVERS—Mrs. Pearl Gies passed away at Redvers Union Hospital on Nov. 20th at the age of 87 years.

She was born at Marksdale, Ont., July 9, 1885, eldest daughter of Wm. and Mary McCutcheon, and moved with her parents in 1895 to the Gainsborough district.

In 1907 she married Harry Gies, of Storthouks, Sask. where they farmed until 1947. That year they retired and moved to Antler where she lived until 1966. The following years she became a guest at the Redvers Centennial Haven.

She was predeceased by her husband in 1950. She is survived by two sons, Carl of Redvers, Sask., and Russell, of Vernon,

CARD OF THANKS

I would like to thank all my friends and relatives for cards, gifts and visits while I was a patient in the hospital.

George Cheyne

Many thanks to all my friends and relatives who remembered me with visits, cards, letters, flowers and gifts while I was a patient in Brandon General Hospital.

Myra Oppen

We wish to thank all our dear friends whose kindness and support has meant so much to us during the years we spent in Reston. We also appreciate your letters, cards and floral tributes during our recent bereavement.

Tim & Joyce Paddock

I would like to thank the dozen ladies who paid me a visit on my birthday. Also a special "Thank You" to Mrs. McMorran, Mrs. Isaac, Mrs. Davies, Mrs. Bulloch and Mrs. Pierce for their generosity in serving such a delicious lunch.

Mrs. Wm. Haidish

We would like to take this opportunity to thank the people of Tilsit and community for all the gifts we received and a special thanks to the ladies who put on my shower and for the lovely lunch, also the ladies that helped in any way with our wedding. This was all greatly appreciated.

Glen & Marlene

A sincere thanks for all the expression of sympathy at the time of our loss and bereavement. A special thanks to the pallbearers, usher, Mr. and Mrs. V. J. Gloor, the members of the Canadian Legion Ladies Auxiliary for serving lunch, Mrs. Alice Senkbeil the organist, Rev. E. Schurman, Fred Misener and a Carscaddon Funeral Home.

Reta Coult & Jim Bailey

I would like to thank Dr. Cleto and all the nursing staff for such wonderful care I received in hospital and also thanks to those who came to visit me while a patient in Reston Hospital and to those who helped out in any way at home. A special thanks to mother and dad who were looking after Shane and Dean.

Maxine Bloomer

We wish to extend our heartfelt thanks for the many acts of kindness, clothing, bedding, dishes and gifts of money received from our many friends, neighbours and relatives since the fire. We wish to express an extra thanks to Alex Campbell, Gordon Pickett, the Reston Fire Brigade and everyone else who was there at the time. All was very much appreciated and will never be forgotten.

Barrie, Maxine & girls

B. C., two daughters, Mrs. Robins Jacob of Regina and Mrs. Edna White of Delta, B. C., nine grandchildren, two great grandchildren, one brother, Edgar McCutcheon, of Calgary and one sister Mrs. Vera Maines, of Saskatoon.

Funeral service was conducted in Antler United Church with Rev. A. Henderson officiating. Carscaddon Funeral Chapel was in charge of arrangements. Interment was in Antler Cemetery.

Honourary pallbearers were: Sid Mann and Felleien Henrich, of Storthouks, Sask. and Bob Baldwin, Paul Hubbard, Eric Zeimer and Athol Davey of Antler. Pallbearers were five grandsons Doug Gies, Rick Gies, Larry Gies, Alan Gies, Wayne Gies and Edmund Meunier.

Those from a distance attending the funeral were from Delta, B. C., Vernon, B. C., Stettler, Alta., Calgary, Alta., Saskatoon Regina, Brandon and Waterville, Ont.

IN MEMORIAM

DODDS — In loving memory of Russell Dodds who passed away Dec. 9th, 1969. Treasured memories keep you near.

As time unfolds another year, —Ever remembered by his wife Donna Dodds, Wood and McCaffrey families.

ARMSTRONG, Mary S. — In loving memory of our dear mother, grandmother and great-grandmother, who passed away December 10th, 1971. Mother's life is a beautiful memory.

Her death is a silent grief, She sleeps in God's beautiful garden.

In sunshine of perfect peace, We miss her, O how well, But realize God knew best, He let us have her many years, Then gently bade her rest.

—Always remembered by her children, Clair and Ron, Beth & Doug, Murray & Beryl and grandchildren Jim & Pat, Linda, Carolyn & George, Martin & Gail, and great grandsons Jeffrey & Richard.

The Reston Chamber of Commerce are sponsoring a Free Christmas Show if the kids on Saturday, Dec. 16th commencing at 2:00 p.m. in the Reston Memorial Theatre.

Older vehicles are hazardous

WINNIPEG — Results from the province's mobile motor vehicle test units, which concentrated on older vehicles during the past summer, indicate that repeated inspections tend to raise the general level of car safety, Highways Minister Peter Burtinik has announced.

The minister said about 30 per cent of cars presented for initial inspection at Winnipeg, Brandon and Morden were found to be safe, while less than 20 per cent of those submitted at Dauphin, Thompson, Flin Flon and Selkirk were safe. Inspections have been carried out for a number of years in the first three communities.

Overall, about two-thirds of the cars submitted were rejected and 636 vehicles were found to be so hazardous they should be withdrawn immediately.

"What causes real concern is that we can now reasonably assume that about five per cent of all motor vehicles manufactured in 1965, or earlier, fall into the same hazardous category," said Mr. Burtinik.

The minister said about 8,000 of the rejected or hazardous vehicles were re-checked after being repaired. However, 823 vehicles were still rejected and of the 804 hazardous vehicles re-submitted, 22 were still reported to be in hazardous condition.

Mr. Burtinik said the main faults were found to be uneven braking, cracked brake hoses, inoperative brake lights, poor windshield visibility, and defective headlights or turn signals.

Former Huston district residents die

PIPESTONE—Word has been received here of the death of Mrs. Edna Meister, formerly of the Huston district who died in a Vancouver Hospital on Nov. 23th as the result of injuries received in an accident. The driver of the vehicle left the scene and has not been apprehended.

Mrs. Meister was a daughter of Mr. and Mrs. Tom Huston, pioneers of the Huston district. Her brother Earl, died recently in Vancouver following a lengthy illness.

Christmas show for the kids

RESTON — The annual free shows and treats for the kids will be on the afternoon of Dec. 16th at the Reston Memorial Theatre commencing at 2:00 p.m. A number of cartoons, suitable for children's entertainment will be featured.

The annual event is sponsored by the Reston and District Chamber of Commerce.

Miss March of Dimes

WINNIPEG — Twenty-two year old Maria Mass, of Winnipeg, has been chosen Miss March of Dimes for 1973. Maria will represent all physically disabled adults in Manitoba during the annual Ability Fund Campaign (March of Dimes) this coming January. The campaign is conducted in all areas of the province where The Society for Crippled Children and Adults of Manitoba is not a member agency of a local United Way.

Born May 18th, 1950, in Indonesia, Maria contracted polio in 1952. This left her right leg much weaker than her left, and as a result, she uses a specially raised shoe and a cane. Somewhat of a world traveller, Maria and her family moved from Holland to Canada in 1967.

Maria completed her Grade 12 and became interested in Advertising Art. She eventually attended Red River Community College where she completed a commercial art course. She is now employed at Display Industries and is training on-the-job as a commercial artist.

6 THE RESTON RECORDER

Reston, Man., Dec. 7, 1972

Cold snap continues

RESTON — The cold snaps continue and on Wednesday morning, the mercury hit a low of 35 below. All attending difficulties follow, motors that won't start, defects in heating systems, frozen water pipes and a host of problems.

Manitoba's sun however, continues to shine brightly—and according to the weather man no relief from the low temperatures is in sight.
