Home Purchase Grant Policy – Principal Residence

Purpose

The purpose of the policy is to encourage residential development and provide a format for individuals to apply for a municipal grant based on the purchase price of existing residences or the construction of new principal residences.

Policy

The applicant shall submit a grant request to the Chief Administrative Officer of the municipality providing the following information:

- Full Legal name and mailing address of applicant
- Roll Number and legal description of the property for which the said grant is applied
- Purchase price of property (copy of certificate of title)
- For newly constructed homes, a copy of the building permit application and final inspection report provided by the building inspector/development officer
- All lot grading completed to the specifications and satisfaction of the Dennis County Planning District

Grant amounts shall be determined as follows:

- New Homes – 3% on the building cost* only of the home up to \$6,000.00
- Existing Homes – 3% on the purchase price** up to \$4,000.00
- Pre-existing Acreages – All land is allowed to be included in the purchase price. Acreage status will be determined by the CDC Board
- Farm Homes – Assessed value of the principal residence shall be used as the purchase price.

*Building costs shall be the value listed on the building permit for the construction

**Proof of purchase price shall be verified by copy of certificate of title provided to the municipality showing the transfer of title.

The value determined by a current/valid appraisal can be used for granting purposes.

Deadline to submit grant applications will be no later than 6 months after the purchase date or final inspection. Grant applications shall be reviewed by the CDC Board once suitable proof of purchase price or building costs are available. Approval of grants in whole or in part is at the discretion of the CDC Board.

Grants shall not be awarded more frequently than once every five years to an applicant
