Tilston 4-H Club achievement held on Monday

TILSTON—The Tilston Home Economics Club held their achievement on Monday, April 17, with every member receiving a red ribbon for her years work.

The program opened with the singing of O Canada followed by the 4-H pledge and club song. Club president Marlene Pickett acted as chairman for the evening. Reports were given by secretary Theresa Maffien and treasurer Bonnie Allnut.

Corsages were pinned on Miss Schroeder, 4-H leaders, Mrs. Agnes Smith and Miss Valerie Smith. Vivian Jones and Loretta Smith presented the junior demonstration entitled "Toyland Hazards", followed by two songs, "Both Sides Now" and "Ob-La-De-Ob-La-De". Rosemary Maffien, a junior leader, gave the leaders remarks and Mrs. Agnes Smith gave the mothers remarks.

The Unit B girls sang "Never Ending Love for You" followed by Beth Campbell's camp report.

Stasia Herbert recited a poem followed by the senior demonstration with Beth Campbell and Theresa Maffien presenting "Color Compliments".

Mrs. Halls gave a very interesting talk on the "Know Manitoba Better" tour which she attended last summer.

The Home Nursing Class presented two skills which were followed by the Fashion Review. The Home Nursing Unit received their certificates.

Miss Schroeder then gave her remarks, congratulating the following girls whose articles were chosen to go on to Boissevain for further competition: Loretta Smith's apron, Stasia Herbert's burlap picture, Donna Sterling's skirt, Kathy Paton's macramé belt, Mary Ida Herbert's rag doll and macramé and Rosemary Maffien's formal.

Susan Jones was asked to model her skirt in the junior review and Beth Campbell was chosen to model her hot pants outfit in the senior dress review.

Cindy Lampert was chosen to attend 4-H Camp this year with Lucella Sterling as the alternate.

The door prize was won by Cindy Lampert.

The program closed with the singing of the Queen and the 4-H grace.

Lunch was served by the leaders and members.

Beef Club to hold 'Slave Day'

RESTON—The seventh meeting of the Reston 4-H Beef Club was held on Tuesday, April 18, in Reston Theatre.

It was decided that the club hold a car wash at the Gulf Service Station in Reston from 1 to 5 p.m. on Saturday, April 22. It was also decided to hold a "Slave Day" on the 29th of April.

The club's entertainment committee announced that if the club takes a trip this summer it will be to the Whiteshell area. Dale Nash, reporter

Last rites for Jack Nicholson held at Pipestone on Friday, April 14th

PIPESTONE—Jack Nicholson passed away in the Souris Memorial Hospital on Friday, April 14th. He was born in Droopmore County Down, Ireland, on June 24th, 1907 and came to Canada at the age of 13 months and

S. W. I. meeting held at Fertile

FERTILE—The monthly S.W.I. meeting was held at the home of Mrs. Garry Schenstead on April 13th, with Mrs. Garnet Pickard as assistant hostess. The meeting opened by singing the club ode, and repeating the creed. Secretary Mrs. G. Millions read the minutes of the last meeting which were approved. Mrs. Schenstead gave the treasurer's report, the bingo and bake sale brought in a total of \$49.60. Thanks were extended to all who attended and helped at the bingo.

The report of the flower committee was given.

The correspondence was read with a nice letter from Mrs. C. Neff thanking the S.W.I. for the lovely bouquet of flowers given them on their 60th wedding anniversary and the community gift. A letter from the Carnduff Club was read, inviting us to go to a Friendship day on May 18th. It was discussed and tabled to the next meeting.

A letter from the chairman from Redvers was read, wanting a donation for the Mentally Retarded from the Flowers of Hope.

Mrs. Malin gave a good report on the Royal Bank of Canada and a few very important hints, such as to make sure you always read the very small print before signing anything at a bank.

We decided to sell tickets on our handmade quilt which is finished. Tickets will be available at the store or from any of the members. The raffle will be held in the fall.

The district convention to be May 3rd in Parkman was discussed.

Roll call was read and plant exchange, most ladies had some. Mrs. P. Lorette adjourned the meeting.

The program "Agriculture" was taken by Mrs. Malin and Mrs. Marion. Mrs. Malin gave a quiz on flowers, then a talk and questions were asked on gardening.

Two mystery boxes were donated, one by Gloria Schenstead won by Violet Pickard, and another by Mrs. G. Orsted, won by Mrs. Real Sr.

A lovely lunch was served by the hostess and assistant.

The next meeting will be held at Mrs. G. Orsted's, assistant Gloria Schenstead, Claire Marion and Mrs. Real Sr. are on lunch.

Annual meeting of Sinclair Memorial Hall

SINCLAIR—After a whirl drive and lunch, the annual meeting of Sinclair Hall was held on March 27th, with an attendance of 18. Chairman nominated for the evening was Oliver Bright, with Eleanor Mayeri, the acting secretary.

Minutes of the last annual meeting were read and adopted. Financial statement was given by Pat Reid showing a bank balance of \$497.51 with cash on hand \$29.09. Necessary business was discussed and carried, and Howard Wilton was appointed auditor for the coming year.

Club Gray's term on the board had expired, leaving Pat Reid and Gerald Martin with one year to fill in. Bev Milliken and Murray Williamson were elected for a 2-year term, and the hiring of the caretaker was left to the committee.

A discussion followed, about painting the hall ceiling, buying more chairs, and a coffee percolator. All this was left for the committee to decide.

Bev Milliken adjourned the meeting.

resided in the Pipestone district all his life.

His vocation was farming in which he was very interested and successful.

He was always ready and willing to contribute to all worthwhile projects in both the Bellevue and Pipestone communities. He served on the Pipestone Memorial Hall Board for a number of years and on the Bellevue Pool Elevator Board.

He was a member of the Pipestone United Church and had served as an elder.

He was predeceased by his first wife Freda in October, 1909 and a sister Eileen (Mrs. D. Forsyth, in 1970). He remarried in December 1970 and leaves to mourn, besides his wife, two daughters Donna Mae (Mrs. Geo. Holm) Walkerton, Ont., and Audrey (Mrs. Wes. Jasper) of Deleau, a sister Gertrude Nicholson of Pipestone and a brother Raymond of Boissevain. There are also six grandchildren.

The funeral service was on Monday, April 17th, conducted by Rev. J. Jackson, of Virden with the United Church Choir in attendance and was held in the Pipestone Memorial Hall, the main auditorium and the lower hall being filled to capacity by a host of friends from far and near. In lieu of flowers donations were made to cancer research and to the local cemetery.

Honorary pallbearers were: Wm. Harvey, Reg. Campion, E. Gemmill, K. Eastman, Robt. Smith, F. Patmore, Ed. Milligan, Tom Davis and Sam Flannery. Active pallbearers were: Les Chrisp, Louis Henuet, Pat Yuhana, Doug Elliott, Harold Lybarger and Wilfred Barre.

Interment was in the Pipestone Cemetery. Evers Funeral Home of Melita were in charge of arrangements.

4-H Club hold meeting at Fertile

FERTILE—On April 10th, a general meeting of the 4-H club was held in the community hall. The meeting was called to order by the president with the pledge being led by Janet Real. There were four absent and twenty-six members present.

There was no club business. The new business was for 4-H members who were going to Estevan to get organized and that all 4-H stickers should be sent out to all donating to the 4-H Club.

Mr. Paradis gave a donation to the club which was appreciated.

Garnet Cowan gave a report on his trip to the calf scramble at Regina, Sask.

The meeting was then adjourned.

Court news

RESTON—Appearing before Wm. W. Busby, J.P. were: Meredith Mullet, of Winnipeg, fined \$40.00 and costs on a charge of speeding;

David Neil Cudmore, of Manor, Sask., fined \$40.00 and costs on a charge of illegal possession of alcohol;

William Joseph Grant, of Pipestone, fined \$40.00 and costs on a charge of speeding.

RESTON—Rev. E. Schurman, secretary of the Reston Chamber of Commerce was presented with the Robert R. Mundle Memorial Award at the President's Dinner on Tuesday evening, the final event of the two day annual convention of Manitoba Chambers of Commerce.

The presentation of the gold lettered folding "letterman" was made by Mrs. Doris Mundle, of Owen Sound, Ont., donor of the trophy in memory her husband.

The Mundle award is for the Chamber, in a community of less than 1500, deemed to have undertaken the most extensive and effective program of work for the period Jan. 31st, 1971 to April 23rd, 1971.

Judging was on the following basis: Community betterment activities - 40 marks;

'Hi' Johnson

That's Irvin 'Hi' Johnson, the giant who was born in the Sinclair district and later toured as an attraction with a circus. The information on the picture which belongs to Mrs. George Hooper Sr. is that Johnson was 8 feet, two inches tall and weighed 324 pounds. Other pictures indicate that he probably wasn't quite that tall, but nevertheless he was a big man. Mrs. Hooper remembers him well as his parents were his neighbors. Many others remember him too. He was the son of Mr. and Mrs. Joe Johnson who farmed in the Baidal district.

Mr. Johnson would be in his late 60s, if still alive.

April meeting of Pipestone U. C. W.

PIPESTONE—The regular meeting of the Pipestone U.C.W. was held in the Church parlors on Wednesday, April 19th at 2:30 p.m. with thirteen members present.

The meeting was opened by the president with a short prayer, followed by a worship period conducted by Mrs. Eugene Campion and Mrs. Carl Atchison, the theme being "Christian Love".

Program was taken by Mrs. Jim Forsyth. She gave some helpful and interesting "health hints". Reports were: Community friendship, by Mrs. C. Forke who read a letter from Miss May McLachlan telling of her work with Indian children in B.C. Five sympathy cards were sent.

Mrs. E. R. Campion reported on supply and welfare.

A successful tea and bake sale was held April 8th. Lunch was served after a funeral. Fifty-four dollars was received in the Easter Seal campaign with some donations still to be counted.

The treasurer reported a balance of \$745.62. A letter was received from Brandon Presbytery Provisional committee. A donation was made in aid to "Cross roads in Africa".

The program for Family Day in the church on May 14th is taken care of.

The meeting closed with the Mizzpah benediction repeated in union.

Recommended for Fort La Bosse

Eight wards with nine trustees

VIRDEN—Eight wards represented by nine trustees will be the new make up of the Fort La Bosse School Division No. 41 for the October elections in 1972. This is the recommendation that the Board of Trustees will present to the Minister for his consideration and approval.

The present board consisting of seven trustees representing five wards will be dissolved in October and elections will be held in all eight wards for nine trustees.

The Fort La Bosse Board of Trustees went on record as being opposed to any further public financial aid to private and parochial schools in the province of Manitoba.

A school commencement age policy has been established by

the Board. Children who will be 6 years of age on or before December 31 may enroll for Grade 1 in September of that year. Where kindergarten classes are established or are being considered the "cut-off" date shall be the same—the age will be 5 years.

Prior to becoming a unitary system, the Division owned two teacherages—one at Elkhorn, the other at Virden. Not wishing to remain in the real estate business, the Board sold the Virden teacherage last October. Three other teacherages previously owned by the district and now by the Division along with the previously division-owned teacherage at Elkhorn will be sold by tender. The newly acquired teacherages are located at Elkhorn, McAuley and Ebor.

Resignations were received and accepted from Miss M. Soldevilla, Cromer School; Miss L. Warren, Mary Montgomery School, Virden; and Mr. N. Olynyk, principal of the Reston Elementary School.

A report was made to the Board on the semester system which many larger high schools in Manitoba and in other Canadian provinces have been adopting. The Board of Trustees approved in principle the semester system for its senior high schools. The schools will, after careful study, present their proposals to the Board for final approval.

A number of Board members attended the Regional Educational Conference with the Minister of Education in Brandon recently.

Tuition fees for children outside the division wishing to enroll in the TMH and EMH classes in Fort La Bosse were discussed and approved.

Accounts for the month of March totalling \$16,599.93 were approved for payment.

The Board was informed by the superintendent that Grade XII graduation exercises at the Virden Collegiate would take place at the end of June this year rather than at the end of September. Mark statements are now made available by the end of June enabling an earlier graduation and assuring a better attendance of graduates.

In the first three months of the calendar year the school enrollments showed a decline of 25 pupils. At the end of March, the unitary division had a total enrollment of 2987 in K-XIII. The decline is due to transfers and dropouts.

Trustee C. O. Motheral of Oak Lake was appointed by the Board of Trustees as representative to the permanent Advisory Board for the new regional secondary school to be constructed in Brandon and meant to serve the ten divisions in southwestern Manitoba. Mr. J. J. Hill, principal of the school, met with the Fort La Bosse Board recently to go over the architectural details and the courses to be offered at the school.

The Universities of Manitoba have in the past few years accepted students on a "mature student" basis—students 21 years of age and older could enroll at the university without having a complete grade XII. Brandon University is exploring the possibility of lowering this age of 19. The Fort La Bosse School Division has gone on record as being opposed to this proposal.

In other business, the Board appointed Trustee C. O. Motheral to attend a Board of Reference meeting at Griswold re petition from C. A. Durston for a transfer of his land south of Griswold from the Fort La Bosse School Division to the Souris Valley School Division.

Set a rental fee on the teacherage at McAuley.

Decided to abolish the position of vice-principal at the McAuley (Rutherford) School, effective June 30, 1972.

April meeting of the Ebor W. I.

EBOR—The April meeting of the Ebor W. I. was held at the home of Mrs. Bruce White with seven members and one visitor present. The roll call was answered by guessing the weight of the lady on your right within five pounds.

Mrs. Bruce White gave the item on P. E. I. "Love—that potato fruit, a commercial use for P. E. I. potatoes. Mrs. Ken Stonehouse read from F. W. I. C. of Ethel Gibson's account of her visit to Norway.

The five minute report on education was given by Mrs. A. Thornhill "Of the friendly and outgoing Clover Hill school being moved to Sinclair" and the many changes.

During the afternoon Mrs. N. McGill read a most interesting letter from her nephew Alan Wadham telling of his experiences of living in Chingola, Zambia, South Africa.

Miss Janice White told of her trip to Europe and showed many interesting articles she had brought home.

Mrs. Lloyd White gave an account of the Board meeting she attended at Pierson, Plans were made to attend the convention at Souris on May 1st.

The proceeds from the whist drive and dance are to be forwarded to the Cancer Society.

Lunch was served by the hostess Mrs. Bruce White.

Donations are up for Easter Seal

RESTON—Donations to the Easter Seal campaign amounted to \$282.00 with ninety-eight donors to the fund. Reston Chapter, O.E.S. has forwarded this amount to the Society for Crippled Children. The Reston Chapter is pleased with the response to the campaign, which exceeded 1971 by over fifty dollars.

Reston Chamber wins award

Participation in provincial and national activities—30 marks; Participation in regional activities—20 marks; Neatness, originality and conciseness of presentation 10 marks.

Rev. Schurman was named as the official delegate at the last meeting of the Reston Chamber. President Jim Walker was unable to attend because of other commitments.

ALSTONE NOTES

by E. J. Guthrie

Rev. Kemp of Virden United Church took the service at Reston and Pipestone on Sunday morning. He and Rev. Schurman having exchanged pulpits. He told us of a meeting he attended in Toronto recently which was attended by people from north, east, south and west, although Virden was the farthest west. His talk was quite interesting and there was a nice gathering out to hear him and also some visitors.

We are sorry to hear that Mrs. Jezzard's son Bill in Winnipeg, has to have another operation on Tuesday, after having been back at work again for some time since a previous illness. Brother Frank left for Winnipeg on Monday morning. We extend our best wishes Bill.

Cliff and Lil Connelley of Glenboro, called on Lil's mother Mrs. Jezzard at Alstone on Sunday. We hear that Cliff called at the tee pee but E. J. was asleep.

Pearl (McCurry) Fast of Killarney, spent the weekend at the Walter Browns and visited other friends in town. She also attended church on Sunday morning, returning to Killarney in the afternoon. Elizabeth Guthrie of Alstone, had lunch with them after church.

Mrs. Mabel (Hales) Wellman of Moose Jaw, Sask., arrived at Alstone the other day for a visit with her sister Ethel Shippam, who has just got out of hospital. We extend a welcome to Mabel as we haven't seen her for a while. We are glad to report that Mrs. Shippam is looking

better.

Fletcher Manning and one of her daughters brought a nice bunch of pussy willows the other night which is another sure sign of spring. Fletcher also brought a pleasant smile.

Our Mennonite friends and some of our neighbours came to Alstone on Sunday night, about forty in all. With quite a few young people among our Mennonite friends and can they ever sing! Rev. Barkman conducted the service and offered prayer. Several readings were given by both older and younger people. There were two groups sang for us, the younger group rendering two numbers. At the end of the service we had a real old fashioned sing song of favorite hymns picked out by those in attendance. We really had an enjoyable evening. The Mennonite ladies brought refreshments with them, tea was made in the kitchen and a real nice lunch was served with some of the men folk helping to serve. And we had a good visit after lunch. We will be looking forward to your next visit folks, 'specially if you bring lunch. Ha Ha!

Congratulations to Orme Reid's boys, formerly of Sinclair and now of Calgary, for their accomplishments in hockey. Both being members of the sixteen and under team that are now champions of Alberta. Although we Editor referred to them as children, they are really quite the young men as they are fifteen and sixteen and one stands five feet eight and the other five feet ten. They both played two or three seasons of minor hockey with teams at Reston, and that makes a lot of us feel good. We feel sure that

Orme and Shirley are proud of them, as well as their grandparents, Wattle and Jen and Aunt Mary Harrison of Sinclair. We will be interested to watch their advancement in hockey.

The every two weeks Tuesday night whist drive which was to have been held this week was cancelled for various reasons but may be held at a later date.

Murray Jezzard is staying with his Grandma Jezzard for a few nights while his Mom and Dad are in Winnipeg.

Merely to him that shows it, is the rule.

Thanks to the hospital staff and Dr. Furston for the good care I received while in hospital and to all who sent cards and paid visits, which made me feel better.

Sincerely
E. J. G.

CONGRATULATIONS

Congratulations are due to the Reston Chamber of Commerce on winning the Robert R. Mundle Memorial Award, which is for the Chamber in a community with a population of less than 1500 that is judged to have undertaken the most extensive and effective program of work during the last 15 months.

The entry exhibit was prepared by Rev. E. Schurman, secretary and much credit is due to him. Other officers, including Art Smith, past president and Jim Walker, president also deserve credit.

This is the first time that the

award has been made, and according to Murray Bater, manager of the Manitoba Chambers, the competition was quite close with a number of excellent entries, so the local Chambers win is a rewarding one.

It seems somewhat ironical that the award should be won this year, when the action of the Manitoba Chambers with their position paper on rural development has raised the hackles of many citizens in the small towns.

Nevertheless winning the award is something which the local chamber can take great pride.

DOES IT REALLY MATTER?

There are many people questioning whether the age of the moon really matters that much! And this is one of the objectives of the Apollo 16 mission which is scheduled to splash down in the Pacific today with the three brave astronauts aboard who made the perilous journey.

The first Apollo created tremendous interest and was followed by millions on their TV screens. Now TV coverage has but passing interest for the general public.

Many people, in the United States and elsewhere are questioning whether the billions of dollars expended on the missions could not have been put to better use. There are many problems facing mankind, including pollution which will cost billions to conquer. Unless the answer is found,

for some of them civilization may be doomed.

However, it should not be forgotten that the billions of dollars expended did not just disappear into space. It created many thousands of jobs right here on earth—and even Canada benefited to some extent as some components of the space vehicles were fabricated here.

And the scientific research too, which went into the missions is also bound to have a beneficial effect on the future of mankind. The knowledge gained will certainly be used to solve some of mankind's problems.

The missions are a tremendous scientific achievement for the United States and as such should be acclaimed around the world.

The Editor's Jotbook

The ducks have arrived in numbers, judging from the numbers seen on the sloughs during our Sunday drive. Most sloughs seem to have a complement of ducks, and in fact, in some of the ponds there were a large number, also saw three Coots, which would indicate that spring has finally arrived, as Coots are about the last of the waterfowl to arrive on the scene. The painters were out in large numbers on Wednesday and Friday of last week when the interior of the waiting room and the walls of the curling rink were given a going over. It is anticipated that a night or two this week will complete the job, just in time for the Lions' dine and dance on Friday. One thing about painting these days, those rollers make professionals out of such rank amateurs as even the editor. Famous last words: Bev. Lockhart "There's no way that the Blackhaws can be eliminated in four straight games". According to Dave Forsyth, an election will be called in the very near future. His prediction is based on the cheque he received on Monday morning for payment, under the two price system for wheat, at the rate of 84¢ cents per acre, in his case. Overheard here was this thought "Undertaker dies, no undertaker to undertake the undertaking of the undertakers funeral."

Sauce for the Goose

by Dave Forsyth

Likely some who read the column a week past remarked, "Hope he's run down now, if not let's take up a collection and buy him a governor."

How many of you read a book "A Many Splendored Things"? The central theme is the love story of Han Suyin, a Eurasian woman doctor who had had her education in England, for a British War correspondent, Mark Elliott.

The scene is laid mainly in Hong Kong and the time just before and during the first years of the Korean War. While Hong Kong is not painted in glowing colors due to the smug operations of those who felt they had the right to ride rough shod over the ones not nearly so fortunately situated. Poverty and immorality were the high lights.

Migration of birds is getting well underway for large and small species. Notably presently are the reports of swans and geese that are moving northward in waves. It is especially interesting to learn where the great concentrations of these migrants come down to rest and feed. Knowledge of these concentrations as to number, dates of appearance, areas or stages occupied, sizes of flocks, types of environment on these stages, and conditions under which the migrants arrive and leave are all very useful to a variety of specialists, and so in this regard we amateurs can be of great service. There can be much satisfaction and enjoyment in bringing in any of these kinds of information to the attention of proper authorities.

The earliest report turned in about swans was about 6 Whistling Swans seen April 18 two miles north of Broomhill by Willard, Betty and Fraser Heath. April 19, 13 Whistling Swans announced their winging presence over the George Toews farm to Grant and Daryl. The next day, Velma Toews and her father observed 35 Whistling Swans west of the home farm. No details were mentioned as to whether the birds were flying, feeding, resting or gossiping.

On April 20, also, Velma experienced what must have been a stirring sight—Canada Geese: four flocks of 200 to 300 birds each, one flock of 350 to 400 birds, and four flocks (rather, skeins) of 10 to 25 geese each. At about 6 p.m., April 24, Gary

Kendrick observed a skeining V of about 400 Honkers over the home farm. Now, where may those geese be staging and under what conditions? This we'd like to know.

Red-wing Blackbirds have become again, but it's not common for one to have a report like Bob Jago's, relating his unnerving adventure of trying to out-stare a Red-wing that was trying the same thing on Bob. Bob didn't say who won. It must have been the bird!

Sorry, Jim O'Rourke, your horn-squiggled, bat-headed wire-sitter remains unidentified, unless it was a Bluebird with built-in shock absorbers and a which had been used as a landing field by a miniature U. F. O.

Our trip last weekend to Saskatchewan added to the growing list of species observed during 1972. At the Summerberry marshes, Baldpate Duck and Willet appeared. On a trip from Regina to the Claybank Hills for archaeological hunting, 11 Whistling Swans were observed in strung-out flight. The return to Manitoba was enlivened by sight of Flicker Woodpecker near Froude, Short-eared Owl hunting over a marsh, Yellow-headed Blackbird south of Moose Mountain, and Swainson's Hawk not far east of Carlyle (one of each species). Coots were numerous although not common yet on any marsh, and Mallards, Shovelers and Pintails showed fairly often. A few Sea up Ducks, Redheads and Canvasbacks and a smattering of Teal were observable too.

The Claybank Hills stand 400 to 500 feet above the short-grass plains, with bold outlines and forms in spite of having been rubbed, worn and coated by glaciers ten to fifteen thousand years ago. On the hills are knobs, depressions, saddles, lakelets, gulches, cliffs and badland erosion banks like those of the South Dakota Badlands only smaller. On the hills, too, there are tipi rings, crocuses in rich purple bloom, two kinds of cactus, white-tailed deer, jack rabbits, prairie garter snakes (two pairs of male and female each were noted), Mountain Bluebirds, crystals of pure gypsum, bison bones being eroded out banks, a coal seam, and clay that is used in a nearby brick-making plant that is the oldest operating plant of its kind in Saskatchewan.

For reasons of these features and others, such as elevation above surrounding areas, and constantly changing landscape as one moves about, the Claybank Hills are a photographer's paradise. What must they be like, then, in the full panoply

The Days Gone By

10 YEARS AGO (April 10, 1962)

Ratepayers of Reston L.I.D. will vote on May 11th on a \$145,000.00 debenture issue for the installation of a water and sewer system. The Men's Curling Club at Ewart held their annual meeting on Friday in the school house, following a bean and wiener supper. Russ Ziemer was re-elected president, Alex Forsyth, vice-president and Dave Zarn, sec. treas.

Mr. and Mrs. C. F. Wedow were honored at a surprise family dinner at the home of their son-in-law and daughter, Mr. and Mrs. Ron Wright in Viridon on Saturday evening, April 14th in honor of their 35th wedding anniversary. Officers of the South-West Manitoba Feeder Cattle Association elected at the meeting on April 10th, were: J. C. Dodds, pres., Jim Forsyth, vice-pres., Doug Pierce, sec., Frank Patmore, treas. The latter reported that the Association had a surplus on hand of \$1085.05. Mark Wilton was presented with the most valuable player award at the Minor Hockey Association banquet held on Friday evening. Keith Clark, president of the Association, occupied the chair.

20 YEARS AGO (April 24, 1952)

Fire completely destroyed the partly completed home of Bill Kirk on Saturday afternoon. The building located on the east side of Reston was moved to the site last fall and then he went west to work for the winter, intending to complete the house this spring. Several changes have been made on farms in the Tilston district. Gerald Jones has moved to the G. Kendrick farm west of town; John Wray has moved from the Kendrick farm to a farm north-west of town that he recently purchased; Fred Stitt has moved to T. Strutt farm north-east of town and A. McTavish has moved from the Carome farm to Winnipeg. Mr. and Mrs. G. Levis has taken up residence in Cromer. Mr. Levis is employed at the C.N. station as a night operator. A T.B. survey will be made in Pipestone Municipality from May 13 to 17 and in Albert Municipality on May 14, 15 and 16.

30 YEARS AGO (April 30, 1942)

All the results were not available at press time, but enough to indicate an overwhelming majority in favor of conscription in all provinces except Quebec where 70% were opposed. At Reston, the vote was 306 for 10 against, Pipestone 173 for 10 against and at Sinclair 108 for 7 against. For the first time in a number of years fish are running up the Pipestone. Some fish, mostly suckers have been taken but some pike are also reported. From every part of the district farmers report seeing pheasants. Most of the birds seen are cocks although hens are also seen.

40 YEARS AGO (April 28, 1932)

Work on the land has been hampered during the past week by the Russian Thistle menace. The attempt to burn them has met with only partial success and some farmers tried to pull them. By Saturday night it was calculated that 70% of the wheat had been sown. The heavy rainfall on Saturday soaked into the ground considerably below the plowing. Skelding & Davis are again operating their garage at their old stand in Pipestone. The Reston Tennis Club held their annual meeting on Friday last. Officers elected: C. S. Campbell, pres., Ted Smith, vice pres., Miss Robinson, sec. Membership

of summer growth and activity? About 20 miles of Regina, you turn south from Highway No. 1 at the sign pointing to Briarcrest. About 30 miles south the road takes a sharp turn east, or you find yourself on a mere track. Just west of Avonlea the driver should see that the vehicle suddenly lunges southward. Just keep the old buggy jogging and soon you and your family will be gasping over hairpin bends, cactus prickles, or junior sliding off the car into the lunch basket on a 300 year old, super-activated antihill! Kidding aside, for fun and interest, visit Saskatchewan's Claybank Hills.

fees were set at \$2.00 for adults, \$1.00 for students and \$1.00 for associate members. Gasoline has risen to a gallon due to the rise of a few cents a barrel in crude oil. The Imperial Oil Co., in a recent investigation, was shown to fix the price of gasoline. It was disclosed that gasoline made at the Company's refinery in Regina sold at a cheaper price in Winnipeg than at Regina.

50 YEARS AGO (April 27, 1922)

At a meeting of the R.N. of Pipestone council on April 20th, hourly rates for work were set at: man 30¢, man and team 50¢, man and four horse team 70¢. The Memorial Monument erected to the memory of our dead soldiers has been put in place in the Park. The figure of a Canadian soldier cut in Italian Marble, is a beautiful piece of sculpture. A meeting will be held on May 26th to make arrangements for the unveiling. A work bee will be held May 6th when it is hoped a large number of citizens will turn out to help plant trees. The fish are running in the Pipestone Creek at the present time, most of them being suckers.

60 YEARS AGO (April 25, 1912)

Geese in large numbers have been seen around the Reston district during the past few days. Some local hunters have been out with indifferent success as the birds retain their wariness. A pike weighing 20 pounds is reported to have been taken from the Pipestone by an Indian boy. The Pipestone Valley in the vicinity of Agnew is flooded. The dam at that point broke away and the C.N.R. bridge was in danger of being carried away and traffic was tied up for a time. After the snow and rain of last week, farming operations are again in full swing and prospects are bright for a bumper crop.

Reston in the 1920's

(From an early 1920's Winnipeg paper).

Reston, one of the many busy rural towns in Manitoba, is situated in the south-western portion of the province, just a few miles from the Saskatchewan boundary. Winnipeg is 180 miles east, Regina 190 miles west, and Brandon 60 miles north-east, the railway connection with these three cities being excellent. The town is located on the Canadian Pacific Railway at the point where the Wolseley branch connects with the line from Winnipeg to Cardston, Alberta.

Founded in 1892, Reston had a population of over 800. In the countryside adjacent are many thriving farmers, who are a big commercial asset and their presence in the town on holidays and market days is always stimulating to business.

Agriculturally the surrounding district is a splendid one & abundantly watered, with fine, rich loam soil and a clay subsoil. Last year 400,000 bushels of wheat were marketed, and the yield this season was highly satisfactory. There are two grain elevators in operation, owned respectively by The Lake of the Woods Milling Co. and The United Grain Growers. While basically a grain growing district, mixed farming a n d dairying are successful as well, and have added considerably to the material wealth of the community.

Fox Farming

A highly interesting and lucrative industry is the Silver Fox Farm at Reston, owned by Anderson & Hewitt, of Reston, and Dr. McIntyre of Calgary. A poultry farm on a large scale is another local enterprise. This is operated by Preston Gibbs and his sister, Miss Gibbs, recently arrived from New Brighton, England. There are also several spairies in the vicinity.

The civic authorities of the town of Reston have always taken pride in the appearance of the town, with the result that the stranger is at once impressed with the general air of prosperity.

There are two fine parks, the Memorial and the Agricultural, the streets and residences are well kept, and the shops in the business section display practically all lines of up-to-date merchandise in ample quantities.

The Municipal Hall, which was opened in May, 1918, is a fine structure of brick, surrounded by trees, shrubs and flowers. All is kept in perfect order under the supervision of G. F. Birney. The hall contains the municipal and telephone offices and the council chambers. There is also a comfortable and artistic rest room, as well as an auditorium with seating capacity of 400. This is used for entertainments moving picture shows etc.

Isaac Mossop is country clerk, D. L. Mellish (Pipestone) is reeve, and the councillors are H. McIntyre (Pipestone), Joe Wood and D. M. McGill (Ebor), Wm. Watt (Reston), D. H. Giles (Scarth) and Thos. Smith (Sinclair).

Many Motor Cars
There are approximately 350 motor cars in the district, which provide valuable means of business and social communication between Reston and the neighboring towns and villages.

Of course, every time you spend \$2.50 on a ticket you also buy a chance to win part of the \$355,000 jackpot. Maybe even the big prize of \$100,000. But even if you don't win, isn't it nice to know you're helping to make good things happen?

THE UPPER ROOM

Read II Timothy 4: 1-8

I have fought a good fight, I have finished my course, I have kept the faith.—II Timothy 4:7. As our family watched the Olympic games televised from Mexico City, we were also awed by the endurance of the losers. In the marathon race we were especially impressed with the will power of the last man to return to the arena.

In this day of doubt and unbelief, I am impressed with the Christians. They are faithful in running the race for Christ in our age of materialism. Some of them are outstanding in their power and insights and the victories they win. Others are keeping the faith, persevering in difficult times, continuing to run the race, and giving their best to the end—even though they may appear to be losing.

Being winners is not so important as being faithful in running in the race. When we give the best we have, God uses it in His own mysterious way; and we attain the prize which God Himself offers through Christ, our Lord.

PRAYER: Almighty Creator, give us strength, wisdom, and patience to do Thy will this day. Help us to be strong in faith and endurance. For Jesus' sake. Amen.

THOUGHT FOR THE DAY

Victory belongs even to Christians who appear to be losing.

Home of interest are welcomed. Send them to Reggie at St. Regis Hotel, Winnipeg 1.

Angry fans throwing bottles broke up a cricket match in Guyana between West Indies and New Zealand teams. Brawls at hockey, football and soccer games don't surprise us, but at the noble game of cricket... that really proves something!

If you agree with a MP or MLA, he's a statesman. If you disagree with him, he's just a politician.

Minister of Labor Russ Pauley says his NDP government will bring in legislation to give Civil Servants the right to strike... and is that ever asking for future trouble!

We're all for the fella who has nothing to say... and refuses to say it.

Mr. Speaker Fox declared in the Legislature "The government has no morality," later explaining he didn't mean it like it sounded... well, now!

Confucius says: "A great personality does not necessarily fit one for high office."

A handsome two-color brochure in English and French (embellished with a fine bilingual picture of Attorney-General Al Mackling) has been printed in thousands and circulated throughout Manitoba to inform all individuals in society of their rights, and how to secure them. Fine! Now if this was followed up with another (less expensively produced) brochure informing all of their obligations to society that would be still more fine.

A dilly of a misprint in Hansard recorded a Minister of the Crown (during a speech in the Legislature) referring to Mrs. Inez Trueman as "the only lazy member of this Assembly."

What one little letter can do! When Finance Minister Cherniack said Opposition Leader Spivak was "one of our greatest assets," reporting the statement, one city paper dropped the "t" out of "assets."

The best committee is one of three members... with two absent.

You hear some rib-tickling remarks in the Legislature. Like when George Henderson (P.C. Pembina) said, "I'd like to speak about fertilizer, because our

minister of agriculture hasn't done anything about it" and a voice interjected, "Why, George, he's been spreading it all over the place!"

During President Nixon's Ottawa visit with Prime Minister Trudeau, the two wives got together for a coffee chat... and a fella I know claims it might have been better to let Pat and Margaret settle affairs of state, while Dick and Pierre downed coffee.

Overheard in the ST. REGIS rotunda: 'Mr. Sid Green calls Mr. Izzy Asper "The Wizard of Iz"... I guess he must get his inspiration from the funny papers."

Over 2 million paid in indemnities

WINNIPEG — The Manitoba Crop Insurance Corporation paid out \$2,061,454 in indemnities to compensate 2,802 Manitoba farmers for crop damages during the 1970-71 fiscal year, according to the corporation's annual report tabled in the Manitoba Legislature.

Nearly 64 per cent of Manitoba's eligible producers—14,819, a new high both in percentage and numbers—were insured with the corporation in 1970-71, paying out a total of \$2,008,892 in premiums.

There was a 14.7 per cent decline in the amount of seeded acreage covered by insurance over the previous year with 1,587,276 acres insured for a total liability of \$20,873,127.

In the summer of 1970, all-risk contract holders were offered hail insurance coverage. About 11.6 per cent of those who had seeded insured crops—1,583 producers—purchased the insurance on a total of 235,049 acres. Premium billings totalled \$114,298 with a total liability of \$4,576,547.

Under the hail insurance program, 276 crop inspections were made. Indemnity cheques amounting to \$112,830 were mailed to 135 claimants. For every premium dollar billed, 99 cents was paid in settlement of claims. Of those insured, 8.5 per cent received payments from the fund.

Bee held at Rink

RESTON—Four painting bees and about 30 gallons of paint have made a startling difference to the interior of the waiting room and curling portion of the Reston Community Rink.

The waiting room has been painted in two shades of blue, a yellow and a pink. Included in the painting operation was the main beam and in all, the effect is quite pleasing.

In the curling rink, the walls

5 THE RESTON RECORDER

Reston, Man., April 27, 1972

have been painted white, with the beams and seats along the walls in a shade of pink. The top portion of the end walls are also in pink.

The 30 gallons of paint were purchased by the Reston Lions Club who also organized the bees, with members and interested citizens doing the painting.

The job was completed on Monday, in time for the annual dine and dance on Friday.

CARD OF THANKS

I wish to thank everyone who remembered me while in hospital by sending cards, visiting or inquiring. A special thank you to those who accompanied me in the ambulance. John Rainnie

I wish to acknowledge the applications received in response to my ad for a sales clerk. I am unsuccessful applicants and I regret having to disappoint the thank them for their inquiries and applications. Wayne Morrow

Many thanks to all those who sent cards, letters and who came to visit during my stay at the Brandon Hospital. Special thanks to Dan Gray and Con Karpinski for looking after the cattle so well and to all who helped out at home. All was very much appreciated. Cliff Isaac

I would like to thank all my friends that sent cards, gifts and treats to me while I was a patient in the Winnipeg General Hospital. Also thank you to everyone that made enquiries about me, to those that offered to do chores at home so my family could be with me. All this kindness was greatly appreciated by the family and myself. Rodney Kool

RESTON

LIONS CLUB

IT'S TOMORROW NIGHT!

●Come tomorrow night (Friday) the music of the Alex Fraser Combo will start many a foot stamping and a dancing at the annual spring dine and dance of the Reston Lions Club, and the demand for tickets would make it appear that the event will be an outstanding success! Besides the dancing there will be a delicious supper served at midnight and this alone is worth the price of admission. While there you will be able to view the camper which is being raffied by the club—and you can also admire the new paint job, for which the Lions Community Betterment Fund provided the paint needed.
