PUBLIC HEARING
May 30, 2016**

Present: Reeve Archie McPherson Deputy Reeve Randy Henuset

 Councillor Sean Kirkpatrick CAO Michelle Halls

A Public Hearing was held regarding an animal control matter with Reeve Archie McPherson acting as Chair.

Reeve McPherson opened the hearing at 7:30 p.m. with an explanation as to the purpose of the hearing.

Linda Wallace, Lee Jackson, Anne Davison (Empire-Advance), Christine McConnell, Gillian Robertson, Aurora Robertson, Adam Brugger were all in attendance.

Linda Wallace stated that the dog was tied up at the time of that attack and she would like the dog to be put down.

Lee Jackson is concerned about what will happen if the dog is returned as there was a previous incident. Lee is also worried about what would have happened if Linda was present at the time of the attack.

Gillian Robertson stated that she is horrified that this was a second attack. She would like to see the dog go to a good home. She is not aware of any attack on humans. She does not want another attack. She feels the dog should be given an opportunity to go to a farm and does not want the dog put down. The dog is four (4) years old and plays with humans nicely. The dog does not have to go back to Pipestone but she does not have a home in mind as she didn't know what would happen from this Public Hearing.

Christine McConnell gave the Animal Control Report.

Reeve McPherson asked those present if there were any questions.
